Good morning Beth,
8:30 works for me! And, I'll put the date in.
Do you have a contact number for C4, just in case I need to contact them in the morning?
I'll let you know when the drum is picked up.
Thanks,
Daniel

Daniel,
Good Morning! Please see note below, looks like C4 will pick up on July 10th at 0830. Please confirm receipt of this information. On a side note I did not write the start accumulation date on the label I wasn't sure what that date was. Please make sure you copy that date over to our label as that start accumulation date is required by law.
